

HOSTED BY 

Social and Emotional Learning & Sustainability

PANELISTS' RECOMMENDED RESOURCES

Building Connections Webinar: <https://casel.org/weekly-webinars/>

From CASEL

- [2011 to 2021: 10 Years of Social and Emotional Learning in U.S. School Districts](#) - CASEL's report on learnings from partnerships with large, urban districts summarizes six elements for sustaining SEL.
- [CASEL's District Resource Center](#) - This site outlines a framework and key activities to implement districtwide SEL based on learnings from the Collaborating Districts Initiative, and contains a library of research, tools, and artifacts to support other districts in their journey.
- [What I Wish I Knew... District SEL Implementation](#) - This video features SEL leaders from CASEL's collaborating partner districts sharing the insights they have learned on the job.
- [Collaborating Districts Initiative](#) - Learn more about CASEL's 10 year collaborative partnership with 20 large, urban school districts around the U.S.
- [Learning Together SEL Workshops](#) - Join our Leading Schoolwide SEL: Preparing for the Journey Ahead workshop series on social and emotional learning to help you plan, sustain, and continuously improve systemic SEL implementation throughout your school community. Registration for the live Winter 2022 virtual series is now open.
